12-Color Models Be Creative. Be Impressive.
iPF5100/6450/6400/8400/9400

FEATURES	SELLING POINTS	BENEFITS
12-Color LUCIA or LUCIA EX Ink Set	Exquisite Results	Extremely wide color gamut provides the ability to print your images just as you intended
(2) 1.07" Print-heads with 15,360 Nozzles (Each)	Precise Output	Accuracy that you can trust to give you outstanding, precise output every time
Built-in Calibration	Quality Assurance	Ensures consistent results across multiple printers

8-Color Models Be Productive. Be Versatile.
iPF6400S/8400S/9400S

FEATURES	SELLING POINTS	BENEFITS
8-Color LUCIA EX Ink Set	Vibrant Output at Impressive Speeds	Production-grade engines that are up to 40% faster than any other imagePROGRAF Graphic Arts printer to produce point-of-sale displays, GIS maps, special event graphics, and more
Economy Color Mode	Maximize Profits	Reduces ink consumption by 10-20%, minimizing total cost while maintaining high-quality output
Print Plug-in for Microsoft® Office and Accounting Manager	Simplified Workflows	Utilize the included suite of software solutions to help maximize the versatility of the imagePROGRAF printers as well as your profits

6-Color Models Be Informative. Be Vibrant.
iPF6400SE/8400SE

FEATURES	SELLING POINTS	BENEFITS
6-Color LUCIA EX ink Set	Red Ink Featured	Allows for vibrant posters, signs and banners to be printed for use as eye-catching infographic and point-of-purchase displays
Compact Design	Reduced Footprint	Ideal for use in smaller offices or locations where space is not a luxury
PosterArtist Lite	Poster Creation Software	Included with the printer, this software eliminates the need for an in-house designer in order to offer poster creation services

5-Color Models Be Efficient. Be Precise.
iPF510/610/670/680/685/770/780/785/815/825

FEATURES	SELLING POINTS	BENEFITS
5-Color Dye/Pigment Reactive Ink System	Durable, Crisp Output	Inks specially formulated to improve durability and clarity of the image, resulting in clearer text and sharper lines
1.07" Print-head with 15,360 Nozzles	High Accuracy	Produce intricate line drawings within +/-0.10% accuracy and with fine lines as thin as 0.02mm
imagePROGRAF Print Utility	Mobile Printing	Print PDF files wirelessly through use of a mobile app, created specifically for iPad®

MFP Models Be Dynamic. Be Resourceful.
iPF750/770/780/785/815/825 MFP M40

FEATURES	SELLING POINTS	BENEFITS
Customizable System	Experience Maximum Versatility	Choose from a 36" printer (iPF785/780/770) or a 44" printer (iPF825/815) to create your ideal printer/scanner combination
M40 Scanner	High Accuracy and Fast Scan Speeds	Captures finest image details, enabling incredible line definition; scans up to 13"/second for monochrome and 3"/second for color*
SmartWorks MFP Software	Simplified Workflows	Scan-to-copy/file/share software with integration of Direct Print & Share, Canon's easy-to-use Cloud Portal software

* Actual scan times will depend on the host system performance. Quoted top speeds may be limited by the effective bandwidth of the USB2 or Ethernet I/F and are not guaranteed for all media types.
